

Dear Friends:

The objective of Fairhaven Acushnet Youth Athletics (FAYA) is to develop well rounded youth who learn not only the fundamentals of football and cheerleading, but also the importance of education, good sportsmanship, honesty, courage, and respect for authority while at the same time having an amazing experience that they will always remember. We are a local organization and part of National Pop Warner where academics and athletics are equally important. Pop Warner is the oldest and largest youth football and cheerleading organization in the country.

Fairhaven Acushnet Pop Warner volunteers work year-round to raise funds for these kids and program. We would love to welcome you to the team as one of our sponsors. You can help by offering financial support which would aid with replacing/reconditioning our equipment, uniforms, and facilities. Once again, we will be competing against teams in surrounding communities, and everything comes with a significant price tag. FAYA currently has over 200 kids active in football and cheerleading and in order to keep registration costs affordable for our families, we rely on help from our local business owners and community. By donating and becoming a sponsor, you are not only helping us provide an amazing experience to our youth, but you will also receive free advertising from us and additional patrons from the hundreds of parents, volunteers and spectators involved with FAYA. In addition, we will gladly accept donations of any kind, such as gift cards or items which we can raffle off to raise funds.

FAYA would like to thank you in advance for any support you can provide. We look forward to hearing from you soon and eagerly await your participation in our upcoming 2023 Season. If you have any questions, please feel free to email us at fayabluedevils@gmail.com.

Best Regards,
